SE01

PS01 - A small natural posy placed on a rustic twig base with luxurious dark red Roses and Gerbera set against a backdrop of lime green flowers and foliage.

WRT01 - The classic wreath a symbol of eternity designed in a modern garden style with groups of beautiful red Roses and Gerbera complemented by lush greenery, and enhanced by lime green flowers. Available in a variety of sizes.

HRT01 - A traditional love heart beautifully massed with Chrysanthemums to accentuate the rich dark crimson Roses. A timeless expression of love, a single red Rose placement shows where to position a message card.

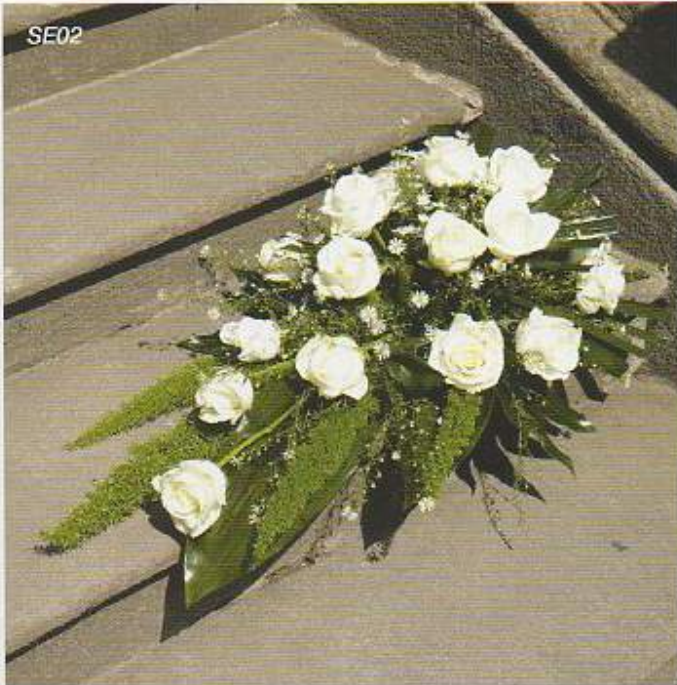

SE01 - Vibrant foliage and exotic lime green Anthuriums coupled with red Roses and Gerbera give this lavish funeral spray an important opulent look.

HRT02

HRT02 - A modern curved heart that has a youthful appeal yet still retains the classic symbolism of the emotive shape. A selection of soft chartreuse green and creamy-white flowers with distinctive Calla Lilies and a cluster of Roses that add an eye catching placement at one side of the heart.

Whites

SE02 - One of the most popular tributes – white Roses a sign of purity, laid against a backdrop of lush greenery in a traditional spray shape. Alternatively choose a Rose colour that has special significance.

HRT03 - Romantic and young looking a froth of Gypsophila covers a modern curvaceous heart and is finished with dramatic placements of exquisite Phalaenopsis Orchids.

CP01 - The pillow tribute represents rest and comfort, a soft final place to lay the head. The creamy colours are accentuated with deep green foliage and a fluffy textured edging.

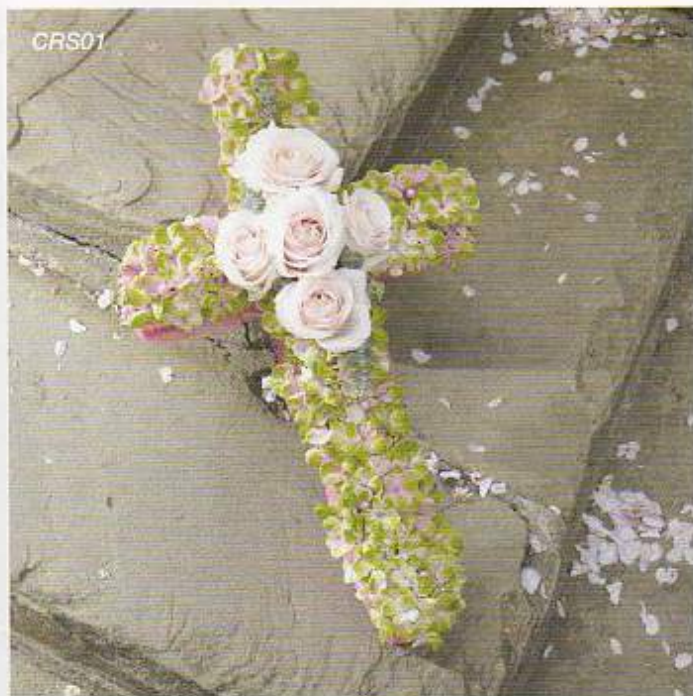

WRT02 - A delicate frilled edging encircles a pretty posy of dark eyed Gerbera and white Roses. Alternatively you can choose favourite or special flowers for their symbolic meaning.

CT02

CT02 - Gently say goodbye with the delicate pink tones and feminine appeal of a flowing casket tribute. An important family tribute that has a soft graceful style and a plentiful array of pretty pastel flowers.

Pinks

CRS01 - A sweet and appealing small cross prettily encased in Hydrangea with a central creamy pink Rose detail. Ideal for children the tribute could also be made in blue and white.

CP02 - A pillow tribute is symbolic of a loving headrest – the last peaceful resting place. The pillow has girlish charm with pink miniature Roses, frilly edging and Gerbera features.

BS01 - For a more informal look a country basket is ideal. Particularly suitable for gardeners or flower arrangers where a less structured look is required. The pretty pink selection of flowers have the abundant look of a summer garden.

PS02 - A sophisticated blend of exotic Cymbidium Orchids and pink Anthuriums gives this round tribute an up to the minute look. A delicate organza skirt completes the thoroughly modern image.

WRT03

WRT03 - The never ending circular shape of the wreath symbolizes life without end, then couple this with unique modern design to give the best of both worlds – tradition with stylish good looks. Calla Lilies form swirling patterns above a textured base of soft green and sunny yellow flowers.

YELLOWS

HRT04 - Entwined hearts portray an eternity of love; no other tribute makes such a powerful statement as a farewell gift of adoration. Yellow and white Roses, Gypsophila and Hydrangea give an elegant look to the twin hearts linked as one.

CRS02 - The most prominent emblem of the Christian religion. A large coffin cross is a symbol of faith, and the bright cheery colours and modern styling makes a large and impressive last tribute.

PS03 - Yellow is the colour of friendship and this round tribute will capture a sunny personality or recall memories of happy times spent together.

CT03

CT03 - A traditional large coffin tribute made in a mixed colour harmony particularly suitable as a family tribute to commemorate the life of a loved one. This can be made in seasonal flowers to represent the time of year or incorporate meaningful colours or flowers.

coffin Tributes

CT01 - The ultimate last gift of love, a large coffin spray of deep red Roses enhanced with dark green foliage. Red Roses are a symbolic choice of devotion and this family tribute is an impressive declaration of eternal love.

CT04 - Striking Oriental Lilies make a powerful statement of purity and classic good looks. The elegant Lily coffin tribute is a fashionable and popular tribute that will reflect a stylish personality and will be a touching focus on a sad day.

CT02 - Gently say goodbye with the delicate pink tones and feminine appeal of a flowing casket tribute. An important family tribute that has a soft graceful style and a plentiful array of pretty pastel flowers.

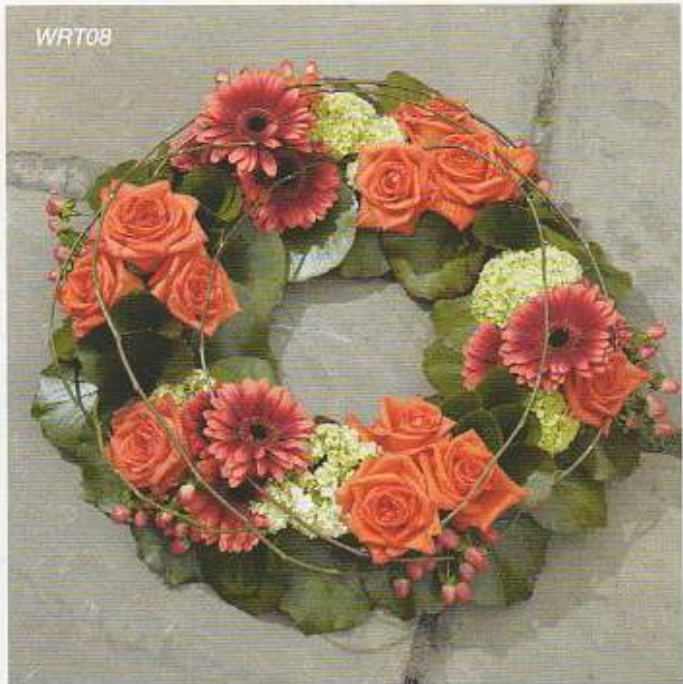

CT05 - An exotic mixture of tropical flowers in vibrant orange and purple colours complements the rustic willow coffin. A grand tribute that will live in the memory long after the ceremony is over.

WRT04

WRT04 - An impressive freestanding wreath that is a favourite design in many countries throughout the world. White and purple shading gives a calm, tranquil effect with lime green looped Calla Lily stems linked together to create a magnificent large tribute.

Wreaths

WRT05 - Peaceful and quiet a traditional wreath to send as a mark of respect or love. The circular shape is clearly defined with Chrysanthemums and Roses and finished with a gossamer ribbon. A name can be added to the ribbon to personalize the tribute.

WRT07 - No beginning or end, the never-ending circle made with loosely arranged flowers, this is one of the most popular tributes. Made in pretty lilac and pink shades it is elegant and feminine. Alternatively this wreath can be made from a colour harmony of your choice.

WRT06 - This twig surround houses a wreath of vibrant coloured flowers massed in groups for dramatic effect.

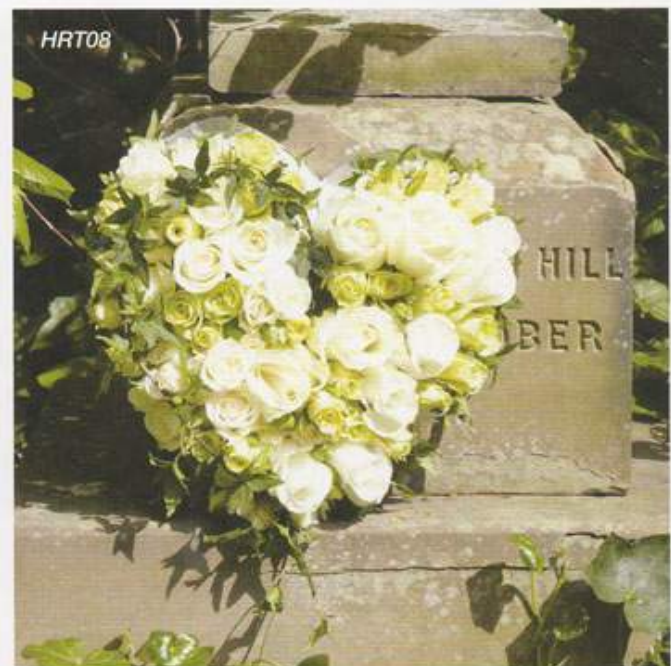

WRT08 - A cluster wreath is ideal for friends or family. The grouped flower wreath is best when there are multiple sympathy cards as each flower group can have a separate personal message card attached.

HRT06

HRT06 - The old world charm of a Victorian style heart will appeal for the young and old alike. A soft pink ribbon border complements groups of choice flowers in the romantic colours of pink, soft green and steely blue.

Hearts

HRT05 - An elite love heart to convey what words cannot express. The perfect uniformity of the flower base means the symbolic shape is centre of attention. Two distinctive halves of Eryngium Thistle and miniature white Roses bonded together in unbroken harmony.

HRT03 (Small) HRT02 (Large) - When there are multiple tributes choose them to complement each other in shape and colour for a harmonious and stylish look.

HRT07 - Red is the colour of love and this stylish open heart with a modern textured edging is a dignified and special way to show affection. Fragrant Freesia, Roses, Gerbera and Orchids used in clusters make this an elegant tribute.

HRT08 - A cushion heart with a natural foliage edging and groups of massed green and white Roses for a luxurious final tribute.

CP03

CP03 - The natural style of a cottage garden tribute will evoke happy gardening or countryside memories. The pillow shape has a decorative hessian edging and interesting clusters of textural flowers reminiscent of a garden in full bloom.
